Daddy

Tigua, you Inna baby

Mano arriba

let's go now !!

Chorus))

Wo-ah tonight, tonight we could be more than friends

Wo-ah tonight, tonight we should be more than friends

We're in the corner of the crowded room

I want you lips, your body, boy, how soon?

And if you like what we doin' why don't we give in for the night

This might just be the night of you and I,

If there is no distance, no hearts tonight,

And if you like what we doin' why don't we give in for the night.

Wo-ah tonight, tonight we could be more than friends

Wo-ah tonight, tonight we should be more than friends

From the first time that I saw the look in your eyes,

I've been thinking about you for all of this time,

Wo-ah tonight, tonight we could be more than friends.

Ain't looking for someone to call my own,

But with you boy we're in danger zone,

And if you like what we doin' why don't we give in for the night.

So here we are I just dream of you

And all the thing that I'm about to do to you,

And if you like what we doin' why don't we give in for the night.

Wo-ah tonight, tonight we could be more than friends

Wo-ah tonight, tonight we should be more than friends

From the first time that I saw the look in your eyes,

I've been thinking about you for all of this time,

Wo-ah tonight, tonight we could be more than friends.

Wo-ah tonight, tonight we could be more than friends

Wo-ah tonight, tonight we could be more than friends.

[Daddy Yankee:]

Baby! She rings my bell, and they rush the floor  
You mighta' think that's cool zaw  
Everybody in the club was hot 'til I showed my watch  
And they cooled out  
Caliente! frÃo! too eso que tu tiene e mÃo  
Caliente! frÃo! todo eso que tu tiene...  
It's forever, (forever)  
You could be mine  
It's whatever (whatever)  
Whatever you like  
It's forever, (forever)  
You could be mine  
And I'm needing you right now  
Baby come and hold me down  
Caliente! frÃo! too eso que tu tiene e mÃo.

[Inna:]

Wo-ah tonight, tonight we could be more than friends  
Wo-ah tonight, tonight we could be more than friends.

From the first time that I saw the look in your eyes,  
I've been thinking about you for all of this time,  
Wo-ah tonight, tonight we could be more than friends,  
Tonight we could be more than friends,  
Tonight we could be more than friends.
