Hook:

Yeah, yeah, yeah

Self made millionaire, next stop billionaire

Self made millionaire, next stop billionaire

Self made millionaire, next stop billionaire

Self made millionaire, next stop billionaire

Leaning over bottles with that Henny

Fucking with some models and the diamonds I got
plenty, plenty

Twenties on that sticky, feel em when I ride em

Eyes lookin chinky, Im popping on that waters

Stayin on them hoes, you think I hit the lotto

What she chargin for a show Im chargin for my rider,
oh yeah

Shawty see me shining, says she fucking with the kid

Thats the mortgage on my pinky, and a mansion on my
whip

I say hop up in that whip, put them up well bitches
follow

Let me take you where live, you would think I was hotter

And Im the self made millionaire, next stop billionaire

Ask em on the corner, I done made about a million
there

Self made millionaire, next stop billionaire

El mundo, me conoce ya

I got fans everywhere

Catch me flying in my lair

Chains feel like a chandelier

Landin to the road of riches,

You can stop and watch me stare!

French Montana, en la big manzana

You cant fuck with his level,

Nos vemos, hasta ma?ana!

Do my thing proper, ... la tata

Told er my name is Daddy, she call me the big papa

But Toro gave me the hard, yeah

New York gave me the swag, yeah

Sorry it aint no good,
So mi... watching my back
Self made but Ive been paid
Tu no juegas like we play
My pockets are rock star, le gusta lo grande

Oh oh everywhere I go
People know my story,
In the hood they show me love
Oh oh everywhere I go
Diego con lo mio, con un piqu? de cabr?n

Y en el avion tengo una azafata que modela

One hand up to the ceiling
If youre self-made and you came up with the realest
Now two hands up to the ceiling
If you got it made and you feelin like Im feelin
