Tempted To Touch Remix Daddy Yankee

By Rupee

Album:

To all the ladies

Who's this DA DDY YAN KEEE!!

Ruppe esto es el remix

Dimelo mai que es la que ahy

Ven pegate, llevo tiempo velandote

Suelta el miedo y atrevete

No te quedes tentandome

Yankeee!!

I lose all control when I see you

Standing there in front of me

Your style, your clothes, your hair

You fair woman, you look so sexy

The way you wine and, the way you dance

And the way that you twist and turn your waist

Leaves me wanting, leaves me yearning

Leaves me feeling for a taste

Before the end of the night

I wanna hold you so tight

You know I want you so much

And I'm so tempted to touch

Tempted to touch, tempted to touch

Little woman, man I need you so much

Ganas me dan, ganas me dan

De acarisiarla por lo buena que esta

Tempted to touch, tempted to touch

Little woman, man I need you so much

Ganas me dan, ganas me dan

De acarisiarla por lo buena que esta

Yo no se lo que me paso

Cuando bailando la vi yo

Me le pegue y le dije "chica muevelo"

Me gusta tu flow, lo bien que te vez

Quiero bailar contigo hasta que salga el sol

Solos tu y yo, tu lo vaz a ver

Como tan dura nos sale la pasion

Perder el control trol trol trol

Siguelo, eyah eyah!

Before the end of the night (Hasta que amanezca
baby)

I wanna hold you so tight (Voy agarrarte fuerte)
You know I want you so much (Yo te quiero baby)
And I'm so tempted to touch (Estas bien dura baby)
Tempted to touch, tempted to touch
Little woman, man I need you so much
Ganas me dan, ganas me dan
De acarislarla por lo buena que esta
Tempted to touch, tempted to touch
Little woman, man I need you so much
Ganas me dan, ganas me dan
De acarislarla por lo buena que esta

I wanna feel you, I wanna squeeze you
I wanna hug and kiss and caress you
I wanna love you, I wanna touch you
I'll place no one else above you
I wanna feel you, I wanna squeeze you
I wanna touch and kiss and caress you
I wanna love you, I wanna hug you
You know woman I wanna wings of a dove you

Before the end of the night
I wanna hold you so tight (Voy agarrarte fuerte)
You know I want you so much
And I'm so tempted to touch (Estas bien dura baby)
Tempted to touch, tempted to touch
Little woman, man I need you so much
Ganas me dan, ganas me dan
De acarislarla por lo buena que esta
Tempted to touch, tempted to touch
Little woman, man I need you so much
Ganas me dan, ganas me dan
De acarislarla por lo buena que esta
Tempted to touch, tempted to touch
Little woman, man I need you so much
