Break it down let it all out
I'll give you my opinion
Walking around running my mouth
Cause I'm not about pretending
I talk tough calling your bluff
Don't tell me what I can't do
Don't ask me to ignore what in my heart I know is
True

(Yeah)
I never want to be predictable
I'm never gonna take the easy road
I never wanna follow where the
Ordinary ones have gone before
And that's why everyday I say it to myself

Be fearless and nothing is impossible
So fearless and know that you're invincible
Be fearless prove the undeniable
Cause your so much stronger than you know
So let it go

It's crazy never bene done
It's revolutionary
Don't phase me I won't run
Nothing you can say to scare me

Bring on fame I got game
See I was born for this part
Just have to start by following the voice inside my heart

(Yeah)
I never want to be predictable
I'm never gonna take the easy road
I never wanna follow where the
Ordinary ones have gone before
And that's why everyday I say it to myself

Be fearless and nothing is impossible
So fearless and know that your invincible
Be fearless (fearless) prove the undeniable
Cause your so much stronger than you know

So let it go

Stand your ground be confident
The strength inside is heaven sent
Remember saints and heroes gone before
Be bold and be uncompromised
Stare it in your Demon's eyes
Believe you can soar

You gotta' be you gotta' be
(Be fearless, fearless yeah)
You gotta be you gotta' be
Be fearless, fearless yeah, yeah

I say it to myself

Be fearless and nothing is impossible
So fearless and know that you're invincible
Be fearless (fearless) prove the undeniable
Cause your so much stronger than you know [x2]
So let it go
