La, la, la, la, laa
La, la, la, la, laa
La, la, la, la, laa

When you're sad
When your feelin low
When you're hurt, and don't know where to go
Think of me [think of me]
There I'll be
Anytime you need a friend

When you're down
And your luck runs out
Or if you're in trouble or in doubt
It's okay [it's okay]
Turn my way
Anytime you need a friend

(Chorus)
When you're scared, I will stay with you
When you feel you've fallen, I'm there for you
When your heart breaks, I'll ease your aches
Whatever it takes, I'm there
Anytime you need a friend

La, la, la, la, laa
La, la, la, la, laa

All our lives
Anywhere we *are (*Anywhere we are)
Just reach out, I'll never be too far
Come what may
There I'll stay
Anytime you need a friend

(Chorus)
When you're scared, I will stay with you
When you feel you've fallen, I'm there for you
When your heart breaks, I'll ease your rakes
Whatever it takes, I'm * in (*Whatever it takes)
Anytime you need a friend

Oh, oh, oh
When you need a friend
Come what may
There I'll stay
Now until the very end
Anytime, anytime you need a friend

La, la, la, la, laa
Anytime
La, la, la, la, laa
Whatever it takes
La, la, la, la, laa
Anytime
I'll be there
La, la, la, la, laa
Anytime you need a friend
