Same Night  
(Matt Coban)

And all those words you said to me  
There's nothing left in me to see  
I'm drowning in thoughts and I realize  
There's nothing left of me  
I can't get enough of myself  
Lost everything else that I've felt  
I can't get enough of myself

And I can't control you  
But I really think I should  
You've made the same mistakes that I've made  
Over and over again  
I can't get enough of myself  
Lost everything else that I've felt  
I can't get enough of myself

Cause nothing is happening now  
And you can not bring me down
