Unsuspecting templars Apollo's chosen priests  
Slaughtered by Atlanteans killed like sacrificial beasts  
Gross mutated hybrids raid the sacristy  
Find the scrolls and read the rights to set the people  
free  
Call upon the sun god falsify the plea  
The surface world shall perish when Apollo is deceived  
The warriors ride to the ends of the earth their victory  
is at hand  
One final confrontation brings the end of earthbound  
man  
Templars of Poseidon with sacred scrolls in hand  
read the rights and spread the lies to flood the  
wretched  
land  
Flooding of the mainland evil to the core  
On massive crimson waves of death the children now  
will  
soar  
With hate filled hearts the warriors laugh in spite  
They know not what we have become mankind's cruelty  
now  
repaid  
Sounds of death of sweet symphony by nightfall their  
doom  
will be sealed
