Battle

Speed, the Captain calls...

The enemy's

In sight...

On your

Oars, every man...

The drum

Is beating faster, faster...

Through

The waves, this vessel glides...

Propelled

By blood and tears...

Bones

Will shatter, muscles tear...

We must

Obey our master, master...

Row! Row!

The war machine fueled...

By the

Blood of it's slaves...

Onward

Through the endless...

Crashing

Waves...

Row! Row!

The war machine fueled...

By the

Blood of it's slaves...

Onward
'Til the Captain sends us...

To our
Graves...

Full, Speed, Ahead...

Through countless miles of Ocean we
Have bled...

Full, Speed, Ahead...

We'll push this mighty ship until
The day we are dead...

Attack
Speed, the Captain calls...

The enemy
Draws near...

Whip
Meets flesh as spirits break...

The drum
Is beating faster, faster...

Pull the
Oars, with all your might...

Thirsty
Swords await us...

Slaves
And plunder, all the same...

Possessed
By others ever, after...

Stripes
On our backs...

The sign
Of the lash...

A cruelty
That can't be forgot...

Memories
Remain...

Of the
Ones that were slain...

Long
After our corpses all rot...

Ramming
Speed, the Captain calls...

The enemy
Must die...

Every
Single enemy will die before the day is done...

The drum
Is beating faster, faster...

Kill them
All! Kill them all!...

The
Captain screams in rage...

The hull
Gives in, the sea bursts forth...

This ship
Is headed for disaster
