I'm just lying down
I don't mean no harm
Sorry if I am snoring

Ozzie drank too much
Alice drank too much

Are you feeling better now?
I'm feeling better now

Trying to take a step
But I am falling down

Look at Riley go
She can't really play
Play for Daiquiri

She says that she's great
She's not in the bed
Nuh, no, no, nuh-uh

Are you feeling better now?
I'm feeling better now

Trying to take a step
But I am falling down

Skip keeping steady
Using one foot at a time

I could use some help
Please give me a hand
Would you, won't you please?

Are you feeling better now?
I'm feeling better now

Trying to take a step
But I am falling down

Just not looking out
It's my own fault

Trying to take a bath
Bubbles to wash it off
Fall in and sleep in it

I was getting bored
I was getting bored
I was getting bored, bored, bored, bored
