I look at you and my blood boils hot, I feel my
temperature rise
I want it all, give me what you got, there's hunger in
your eyes
I'm getting closer, baby hear me breathe
You know the way to give me what I need
Just let me love you and you'll never leave
Chorus:
Feel my heat takin' you higher, burn with me, Heaven's
on fire
Paint the sky with desire, angel fly, Heaven's on fire
I got a fever ragin' in my heart, you make me shiver
and shake
Baby don't stop, take it to the top, eat it like a piece of
cake
You're comin' closer, I can hear you breathe
You drive me crazy when you start to tease
You could bring the devil to his knees
Chorus
Oho Heaven's on fire, oho Heaven's on fire, oho
I'm getting closer, baby hear me breathe
You know the way to give me what I need
Just let me love you and you'll never leave
Chorus repeats out
