Tell me 'bout your youth  
Ah, just tell the truth  
Was it nice and smooth  
Or was it a lie

And when you were a child  
Were you young and wild  
Or just undefiled  
Ready to cry

It should have been me  
You should've believed in me  
It's all in the way, you say  
This doesn't happen every day

It doesn't happen every day  
Living in denial  
Have you lost your smile?  
Well, it takes a while  
Before you'll forgive

And what's that on your sleeve  
Won't you tell me, please  
We can make believe  
Just for a while  
Cow-ow-cow coward incurable
