I'm trying to forget
All the crazy things I feel for you instead
I just walk and walk along
To the beat of a long forgotten song

Now I know you will always be
Just a friend or a fantasy
Now I'm here all alone at night
'Cause you're not by my side

Ding dong ding ding dong
Come on sing along
Ding dong dingeling
Everybody sing
Ding dong ding ding dong
Come on sing along
Ding dong dingeling
Everybody sing

Ding ding dong

Ding ding dong

When you look at me
I would like you to see all that I can be
So don't you go and walk away
I'd do anything that'd make you wanna stay

Now I know you will always be
Just a friend or a fantasy
Now I'm here all alone at night
'Cause you're not by my side

Ding dong ding ding dong
Come on sing along
Ding dong dingeling
Everybody sing
Ding dong ding ding dong
Come on sing along
Ding dong dingeling
Everybody sing
