If I could break the hold you have on me
If I could break the hold you have on me
If I could break the hold you have on me
With time still on my side
If I could get myself together
If I could get myself together
If I could get myself together
When you have torn me wide
If I can disappear from your doorstep
Without a long goodbye
Call me Houdini
Just call me Houdini
Just call me Houdini
Ill escape with my pride
Ill escape with my
Ill escape
If
If I could swallow words you served me
And not be burned by fire
If I can shield the darts and daggers
You used to call me liar
If I can disappear from your doorstep
Without a long goodbye
Call me Houdini
Just call me Houdini
Just call me Houdini
Ill escape with my pride
Ill escape with my
Ill escape
Tie silk scarves around me
Round, round, round
So I cannot see
Lock me in a safe
My darling, darling
Throw away the key
Toss me overboard
To rest on the bottom of the sea
If what we had was magic once
I will soon break free
If I can disappear from your doorstep
Without a long goodbye

Call me Houdini
Just call me Houdini
Just call me Houdini
Ill escape with my pride
Ill escape with my pride
Ill escape with my pride
Call me
Call me
Ill escape with my
Ill escape
