4:15 Friday afternoon  
(Friday afternoon)  
I took a trip on a train  
(Took a trip on a train)  
On a train to you  
(Took a trip on a train)  
I did not notice the crowd  
(I did not notice the crowd)  
I did not know I was singing out loud  
(No no no)  
Or that the pain was through  
(Friday afternoon)  
Just that the sky was impossibly blue  
(Ooooooh, ooooooh, ooooooh)  
Impossibly blue  
Once upon a time  
(Once upon a time)  
I wished on a star  
I swallowed a line  
Believing you were the one  
(You were the one)  
I did not notice the signs  
(I did not notice the signs)  
A kiss or two and I forgot to mind  
(No no no)  
And the dreams you spun  
(You were the one)  
Your eyes were impossibly blue  
(Ooooooh, ooooooh, ooooooh)  
Impossibly blue  
How long  
(How long)  
Too, too long  
(Too long)  
How long  
(How long)  
So long  
Sunday morning, train left at dawn  
(Train left at dawn)  
No one could see through the mask I have on  
Or hear the crying I do

(Hear the crying I do)  
All the love and the wine  
Could not stop me  
I made up my mind  
Now, darling, I am sorry, too  
(Hear the crying I do)  
I am impossibly blue  
(Ooooooh, ooooooh, ooooooh)  
Before I left I made sure you were, too  
(Ooooooh, ooooooh, ooooooh)  
Impossibly blue  
Impossibly blue
