Side by side
Together we were one
You and I
Together having fun
Was it real?
Or just a fantasy?
Can't you see, we are meant to be

Nobody cries for me
Wohowohow
Nobody cries for me

Wohowohow

Wohowohow

Now I know
Just what I mean to you
You let it show
Now what am I to do?
Come to me
?Cause baby you're the one
I'll wait for you ?till the morning comes

Nobody cries for me

Nobody cries for me

Dam dam dam
Bidoebidoebidam
Dam dam dam
Bidoebidoebidam
Dam dam dam
Bidoebidoebidam
Dam dam dam
Bidoebidoebidam
