RAP :

Listen my boy, we've got the startin' fashion in the
place

Breakin' it down to the hot hot hot hot hot hot

Sing, if you know what I mean

(laughing)

I'm so happy now we're back together

I'll always be, right here next to you

A new beginning only makes it better

A brand new start, we will make it true

Something in your eyes

Is telling me stay

Something in your kiss says

Don't go away

Now I'm back with you

I won't let you go

Listen to my words

I'm telling you so

Yehehehe, wohohoho

Wohohoho, yeheh (X2)

I'm so crazy 'bout the way you're walking

The way you talk and how you say 'Betty'

Every single time you give me shivers

And you laugh out loud when I say, 'that's me'

Something in your eyes

Is telling me stay

Something in your kiss says

Don't go away

Now I'm back with you

I won't let you go

Listen to my words

I'm telling you so

Yehehehe, wohohoho

Wohohoho, yeheh (X2)

Nananananana, iyeyeh
