Such a fool
A fool for loving you
Doing it all just like you wanted to
Now it's over no no more
Such a fool. A fool for loving you
Doing it all just like you wanted to
Now it's over no no more

Don't just stand there
Looking like a fool
You just got what you deserved
Treating me so cruel

I'll never dance to the music
That used to be our song
There's no you and me
Was I so blind to see?
What you did to me

Such a fool
A fool for loving you
Doing it all just like you wanted to
Now it's over no no more
Such a fool. A fool for loving you
Doing it all just like you wanted to
Now it's over no no more

Tell me who's laughing
Now I let you go
Funny how the tide can turn
How the hell could I know?

I'll never dance to the music
That used to be our song
There's no you and me
Was I so blind to see?
What you did to me

Such a fool

Such a fool

Ohohohow
Ohohohow
Such a fool

Such a fool

Ohohohow

Such a fool
A fool for loving you
Doing it all just like you wanted to
Now it's over no no more
Such a fool. A fool for loving you
Doing it all just like you wanted to
Now it's over no no more
