What makes a man feel small? Is it points of pleasure
in leather?

What makes him go way off where the fights are
gagging still?

Take what you can today

Left the brown dog burning He's burning

If you have the time you can come and save us still

All you do is try it

Go inside the whore and buy it

If you think that you will like it

I'll be here to let you stay

Bang!!!

You play with all my strengths

You're always a whispering

Why you wanna watch me

Why you wanna wipe out

Why you wanna watch me

Why you wanna wipe out

You play with all my strings

Now it's time to go back where you started

What makes a man go home in the nights of pleasure
with leather?

Life ticks around the clock like a turban choking your head!

I, I will stand so small like a rodent eating, I'm teething

If I can make it through there will be my house in full force

All you do is try it

Go inside the whore and buy it

If you think that you will like it

I'll be here to let you stay

Bang!!!

You play with all my strengths

You're always a whispering

Why you wanna watch me

Why you wanna wipe out

Why you wanna watch me

Why you wanna wipe out

You play with all my strings

Now it's time to go back where you started

You play with all my strings

You're always a whispering

Why you wanna watch me

Why you wanna wipe out

Why you wanna watch me

Why you wanna wipe out
