Sitting in the back yard in broad daylight

When everything around me seems to spend once or twice

Days when I acted like a fool

Days when I broke every rule

Tell me How long?

Are you wasting my time going mind to mind

Tell me How long?

Are you wasting my time going mind to mind yeah

Little Jack Horner sitting in the corner looks real sad

When everything around him really makes him mad

Days when he acted like a fool

Days when he broke every rule.....

tell me.....

Walking the street at a cool cool night

Looking around it's all full of fright

I never thought I could be so strong

I'm shaking just like I've never seen the light....

tell me How long!

Look at us all standing on the shoulders

of the Jolly Green Giant

"Is that my son up there?" my mom said

"Is that my grandson up there?" my grandmama said

Yeah it's me mom taking my time

Yeah it's me mom riding the ride

Look at me now, I'm King Kong

Look at me now, why don't you tell me,

tell me How long
