Take a look at yourself,
There's nothing wrong with you.
And you forget how to smile,
Is there something wrong with me?
Tell me now, my friend.

When day turns to night,
And you're feelin' down,
Don't you leave,
There's someone around.
You just call,
And I'll be there for you.

When night turns to day,
Your sad gaze fills the room,
You've got nothing to say.
You just call,
And I'll be there for you.

Can you remember those days
When we were young and free?
Today is like yesterday,
Complete with complications.
You see, my friend.

When night turns to day,
Your sad gaze fills the room,
You've got nothing to say.
You just call,
And I'll be there for you.

(When you are feeling good,
Tell me... make me happy, too.)

When day turns to night,
And you're feelin' down,
Don't you leave,
There's someone around.
You just call,
And I'll be there for you.

When night turns to day,

Your sad gaze fills the room,
You've got nothing to say.
You just call,
And I'll be there for you.
