i'm leavin' it all up to you
you decide whatcha gonna do
now do you want my love
or are we through

that's why i'm leavin' it up to you
you decide whatcha gonna do
now do you want my love
or are we through

i've got my heart in my hand
i-i-i don't understand
what have i, what have i done wrong
you know i alone

that's why i'm leavin' it up to you
you decide whatcha gonna do
now do you want my love
or are we through
or are we through
