High school board

They said he was bad

(Yeah, yeah, yeah)

He had a knack of getting

All the teachers mad

(Yeah, yeah, yeah)

He got his kicks from

Cutting class every day

When he heard the bell ring

He'd run the other way

He had a girlfriend in

The shape of a balloon

(Yeah, yeah, yeah)

The fellas all asked him why

You go with such a goon

(Yeah, yeah, yeah)

He had to tell his friends

So I don't half to be on guard

Cause I've been always happy

And that big tub of lard, lard

When he heard the bell ring

He'd run the other way

He didn't do his homework

He never passed a test

(Yeah, yeah, yeah)

Lunch was the class

That he loved the best

(Yeah, yeah, yeah)

They caught him sleeping

In the boiler room

The principal hit him

On the head with a broom

He thought he was cool

But he was only a fool

Cause they kicked that

Cool cat out of school
