Please don't do it
Please don't go
You know I love you
I love you so
If you leave me
I'll be blue
Do I love you
Yes I do

Don't do it
Don't walk out
You're the one
Without a doubt
To be happy
I must have you
Do I love you
Yes I do

I think about you
All day through
I think about you
Night time too
I think about you
Night and day
What would I do
If you went away

Baby don't
Treat me this way
Change your mind
And say you'll stay
Give me a chance
To start anew
Do I love you
Yes I do

Oo oo, yes I do

I think about you
All day through
I think about you
Night time too

I think about you
Night and day
What would I do
If you went away

Baby don't
Treat me this way
Change your mind
And say you'll stay
Give me a chance
To start anew
Do I love you
Do I love you
Do I love you
Yeah yeah
Oo oo, yes I do
