{wolf whistle}

Wow! She's neat!

Go home after school, put my best suit on
Borrow dad's car then I'll be gone
Can't be late 'cause I can't make her wait
Well I'm tellin' you now she's the cutest little gal

She's neat (do da wop - do da wop - do da wop)
I repeat (do da wop - do da wop - do da wop)
She's neat (do da wop - do da wop - do da wop)
Don't know what I'd do without her
All I do is think about her

Stop by her house, say 'Come on let's go'
Then we'll take off for the movie show
Her perfume wipes away all my gloom
Just to have her by my side

She's neat (do da wop - do da wop - do da wop)
I repeat (do da wop - do da wop - do da wop)
She's neat (do da wop - do da wop - do da wop)
Don't know what I'd do without her
All I do is think about her

After the show then we'll meet the croud
At the soda shop where the music's loud
All too soon we'll go home 'neath the moon
Then we'll kiss goodnight, after that will be a sight

She's neat (do da wop - do da wop - do da wop)
I repeat (do da wop - do da wop - do da wop)
She's neat (do da wop - do da wop - do da wop)
Don't know what I'd do without her
All I do is think about her

I'll dream about her all next week
Another date with her I'll seek
Pride & fight with all my might
To make another date for next Saturday night

She's neat (do da wop - do da wop - do da wop)

I repeat (do da wop - do da wop - do da wop)
She's neat (do da wop - do da wop - do da wop)
Don't know what I'd do without her
All I do is think about her

(She's neat) She's sweet, makes my life so complete
(She's neat) She's sweet, makes my life so complete
(She's neat) She's sweet, makes my life so complete
She's neat!

(She's neat) She's sweet, makes my life so complete
(She's neat) She's sweet, makes my life so complete
(She's neat) She's sweet, makes my life so complete
She's neat!

{wolf whistle}
Wow!
