### CHORUS

Get rowdy! Get rowdy!  
Get ready for a fight!  
The Dallas Cowboys are in the house  
And you're going down tonight

Get rowdy! Get rowdy!  
Get up; shake the stands  
Cowboy pride is running wild  
We're the best team in the land

We work all week just to pass the days  
"Count 'em down until the Cowboys play"

Whether they're at home or they're away  
We're right here  
"So get on your feet, and get real loud  
"We got the fans fired up, and we're ready to shout  
"We got Cowboy pride ten miles high"  
And we love football underneath the lights
