### Verse 1

Just clear out the streets, and close up the shops  
'Cause the Big D is comin', so get ready to rock  
We're gonna play for the ring; it only means one thing  
When opportunity's knockin', we're going to rock  
'em and sock 'em

### Chorus

Bring out the guns (Bam!); fire 'em up  
We got the Cowboys coming; gonna tear it up  
Like a shot gun blast, we hit so fast  
We're going to knock you out; we're going to kick  
your

(Bam!) Here come the 'Boys! (x3)

You better make some noise

### Verse 2

Lift up your arms and raise up your voice  
Get out your seats like you got no choice  
Wearin' silver and blue, I gotta star on my sleeve  
Time to cheer on the boys, 'cuz we're America's team

### Chorus

Get up, get up, get up, get up (x4)  
Here come the Boys! (x4)

(Bam!) Here come the Boys! (x3)  
You better make some noise
