Swing it around!
Swing it around, Cowboy Town!

Verse 1

It's going down; hit the beat now
Turn up the heat now
Dallas football and rock 'n roll
Boys are you ready? (Yeah!)
Girls are you ready? (Yeah!)
'Cause it's about to explode

Chorus

Swing it around and around and around
This is a Cowboy Town

Hittin' down after down after down
Watchin' the Cowboys get down
Swing it around!
Swing it around, Cowboy Town!

Verse 2

It's going down; we gonna hold 'em
Never gonna fold 'em, Dallas, Texas, USA
Boys are you ready? (Yeah!)
Girls are you ready? (Yeah!)
The stars are coming to play

Chorus (x2)
