There is a love that I have known  
It's a revelation  
Here in my life it stands alone  
As my soul's salvation  
A refuge I hold on to  
The one thing that sees me thru

Vs 2 It comes from the One Who bled and died  
To be my forgiver  
It flows from His hands, He feet, His side  
Into a river  
That rushes fast and free  
And washes over me.

Chorus Heaven and earth may pass away  
But I know I've found amazing grace  
And I'm only waiting on the day

When I can see Jesus face to face  
I want to see Jesus face to face.

Vs 3 He has been faithful through the years  
He has never wavered  
He's calmed every storm and dried my tears  
He's my only Savior  
I don't know where I would be  
If He hadn't rescued me  
Repeat Chorus

Bridge He's every move I make  
He's every breath I breathe  
With every step I take  
I do believe  
Repeat Chorus
