I got love, love, love in my heart,
I got peace like a river, never will part;
I got joy on my mind, a smile on my face;
Where I used to have hate I got love in it's place!

Spent some time livin' in sin;
Heartache and sorrow and no peace within;
But then I met Jesus, He changed my whole life;
He took all the wrong and made everything right
And gave me-

Love, love, love in my heart,
I got peace like a river, never will part;
I got joy on my mind, a smile on my face;
Where I used to have hate I got love in it's place!

I'm not the man that I used to be;
I'm diff'rent, I'm happy as hasppy can be;
I just can't explain the way that I feel-
All I can say is that I know it is real,

Real-

Love, love, love in my heart,
I got peace like a river, never will part;
I got joy on my mind, a smile on my face;
Where I used to have hate I got love in it's place!

Ever since the day You came into my life I been
Changed!
Ev'rything's diff'rent,
My whole life has been rearranged!

I got love, love, love in my heart,
I got peace like a river, never will part;
I got joy on my mind, a smile on my face;
Where I used to have hate I got love in it's place,
I got love, love, love in my heart!
