I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
Die, die, die motherf\*\*ker, die

All the lies that you tell  
We hope you f\*\*king burn in hell  
Hand yourself from a tree  
You won't get our sympathy

I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
Die, die, die motherf\*\*ker, die

When you're laying alone in your bed  
Even you wish you were dead  
Stick your head into a gas stove  
Light a match and watch it blow  
Kapow!

Star light, star bright  
(Wish you'd die)  
First star I see tonight  
(Wish you'd die)  
I wish I may, I wish I might  
(Wish you'd die)  
Put you in a ditch tonight!

I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die

Die, die, die motherf\*\*ker, die

We hope you die a painful death

Die motherf\*\*ker, f\*\*king die

Die, die, die, die, die, die, die, die, die
