It must have been cold there in my shadow
To never have sunlight on your face
You were content to let me shine, that's your way
You always walked a step behind
So I was the one with all the glory
While you were the one with all the strength.
A beautiful face without a name, for so long
A beautiful smile to hide the pain

Did you ever know that you're my hero
And everything I would like to be
If I can fly higher than an eagle
You are the wind beneath my wings
It might have appeared to go unnoticed
But I've got it all here in my heart
I want you to know I know the truth
Of course I know it
I would be nothing with out you

Fly, fly, fly away
You let me fly so high
Oh, fly, fly
So high against the sky
So high I almost touch the sky
Thank you, thank you, thank God for you
The wind beneath my wings
