Token casting, permanent, lasting  
Rise on your own feet in your back

Rise imminent tools consummate rage  
Socialist stage liberalize lies  
Ideal allies colonial ties  
Mirror of sin U.S.Akin

Our, mothered country, colony  
Handed down by sovereignty  
Alienate subversive tract, continental retro act  
Intro-spective sucking fool  
Underpaid redundancy  
Leave uncultured primal wake  
Endless fucking give n take

Race, run, reason, hatred, handed down  
Raised run western in a kingdom  
Missionary cast, culled, killing all opinion  
Elementary boundaries, keep it underneath  
Cultured depravity

I haven't been the dead heart inadequate  
Abomination, spawn a tyranny  
Rent, missionary sickness  
Squeezing out the life, this, rudimentary seed

Bound, gagged, mutant elevation  
This is what it feels like  
Being what it is, not, knowing where to start  
(you) can't walk away  
Uh

Rise eminent fools consummate rage  
Cultural stage fantasize lies  
And idealize mirror of skin  
U.S.A king locking you in.

Why sympathize, exemplified, paralysed

Taxed taken up  
Handed down regal crown

You fucking fool with your social lies, alibies  
Indifferent identities. end extreme, all extreme.  
Uh.
