I'm THAT NIGGA!

That come through clammin, nine in my hand an', and
it's not jammin

I'm THAT NIGGA!

Hold on down the lot an', do it for them block an' and u

I'm THAT NIGGA!

No more talkin, the guns are sparkin, catch em in the
coffin

[Meeno]

Your mama wanted you to be

Money, Clothes, O's nuttin new to me

I'm that nigga that the bitches always talking about

Same bitch in the morning, pop dead in the mouth

I'm the same cat that pop up in well hotel career-a

Birth from Australi-a, Mansion in ammer-a(?)

Meeno bust in my face and make my skit clearer

Meeno what's up with Mase? act like I can't hear ya

Stop asking questions call chinese sarah

One with all the tatoos like fucking rap dudes

Then call Nickie Dean, one who like a dick clean

Telling me to drop a hot 16

With the condoms, the hydro with spanish irene

At the double tree-sweats room 6-19

It's me, Grease, E-Snapps & Full Figga

Rippin rock-house cause

[Chorus]

I'm THAT NIGGA!

Bitches can't stand in, niggas wanna jam in, and they
wanna ban him

I'm THAT NIGGA!

That come through clammin, nine in my hand an', and
it's not jammin

I'm THAT NIGGA!

Hold on down the lot an', do it for them block an' and u
can't stop him

I'm THAT NIGGA!

No more talkin, the guns are sparkin, catch em in the
coffin

[Meeno]

Come through with the fuse on the block
New S-Class drop with the coochie top
That nigga with bricks on parole that due to dot
That nigga got a album that yo dudes due to cop
Nigga that the block love, the cops hate
I'm the nigga that cop birds, get eights
Whos the last nigga u heard spit this great
No other than myself and uhh late great notorious
With the thugs niggas get no love
Act up, First slapped up and wrapped up
I'm a nigga that blacked up, caddilaced up
The black semi-automatic, the mac niggas up
I'm living it up, bitches giving it up
Main reason why niggas not giving a fuck
I'm the nigga of the niggas that sitting next to the

What the fuck u figga?

[Chorus]

[Meeno]

The 4-day str8, the same gear
Fifth day, fifty k on? wrist-wear
Sixth day, fuck it I'm marchin the globe
World was made in 7 days yo niggas movin too slow
That's why I'm speed-ballin, haters say it's callin
They pray & pray for my downfalling
I'm that nigga, grease stopped to be
I'm just trying to see if that nigga grease still to be
I'm THAT NIGGA!
