And me and she we trampoos a lot
Several mornings she shampoos my locks
Always have my back, she standin' true to dat
Real type of loving, thank you for that

Yow, run barefoot without no shoes and socks
'Cause she keep herself clean, mi nah go catch no rash
And she love me for real, mi nuh haffi have no cash
And any little thing from mi splish, she splash

Yow, all this blingin', it's like you forgot
Use cheddar as the bait den you recruit a rat
So we listen couple speech of Martin Luther chat
Dennis Brown, Bob Marley and some Super Cat

Yow, seem like she live upside the Duko shop
'Cause she don't have a scratch, it's only beauty spot
When one duty start is when one duty stop
One nine to five, one five to twelve o'clock, you see me

Beautiful, here we go again
My love, you know
I will never let you go
My love, beautiful
Here we go

And I remember when we met and we began dating
And everything was copacet' and we began mating
And then the way mi love her good, she gimme don ratings
Because mi style dem plentiful and ah nuh one way thing

And she get belly full and ah nuh pot scrapings
And the closer we become the more she gravitating
Until we buckle down and there is no escaping
Now it typically became an everyday thing

Regularly, physically communicating
Sexually, scientifically penetrating
Until she start spiritually resonating
Ah so mi know she real and seh she ah nuh play thing

She is the only Queen, the King is designating
And so mi seal the deal I am negotiating
I know it's kinda deep but keep on concentrating
'Cause Jazzy lady beat and I am clearly stating

Beautiful, here we go again
My love, you know
I will never let you go
My love, beautiful
Here we go

And me and she we trampoos a lot

[Incomprehensible] General and I'ma trooper dat
