Yeah!

Yes mi lion me name Jr. Gong

Mi unique DJ, dread

Whatch ya

[Verse:]

Well a me name Jr.Gong

Me seh look how mi natty tall

Who nuh know me from dem see me

Me a living top-a-nor

Clarky boot and khaki suit

You think me go a Calabar

Well pitty dem nuh know seh every dreadlocks is a star

Ever quick with the lyrics we never quit when we talk

Fi get hit you haffi fit equipped fi spit a fire ball

City fit inna mi grip and me a squeeze it till it small

Every itty little bitty drip till none nuh left at all

Go flipitty lippy Philip fi mine how him a talk

No pity like yosemite sam when time when we a war

So dem better know wi' vehicle and dem better mark  
wi' car

And keep a distance\_\_ cause man will full y'uh face a  
scar

You go run fi the and dem a par

And you run fi the country man dem but a we and dem  
a par

We a bun' some ganja spliff weh build up bigger then  
cigar.

[Chorus:]

Watch ya dread

Flash it, flash it, Dreadlocks

Bim!

[Verse:]

And politican a drive dem car

Tell dem nuh teer come over here

When when dem touch down pon the ends

You only hear seh war declare

Man clap inna town

And man a clap it inna square

And whole heap a skull a bore and then whole heap a  
flesh tear  
Wait!  
Some man a run down grammy fi di gunman fi the year  
And a weh mek poor people haffi live it inna fear  
One shirt deh pon dem and dem nuh have nothing  
more fi wear  
And man one desert a done and still cannot afford a  
pair  
Cannot find nuh vasoline fi moisturize dem daughter  
hair  
And the bulla price a rise and it nuh dearer than the  
pear  
An' a so mi get fi know seh heads a government nuh  
care  
Cause the money them a share, a crate a Guinness,  
crate a beer  
Cannot pay your little pickney school fee come to end a  
year  
Tell the youth dem seh fi get them education and  
prepare  
Ras Tafari nah go give nuh man no more than he can  
bear  
Catch a fire, it a bun' so tell the 'tican dem beware

[Chorus:]

Flash it, Flash it, Flash it, Dreadlocks  
Flash it, Flash it, Flash it  
BIM!
