One cup of coffee then I'll go  
One cup of coffee then I'll go  
One cup of coffee then I'll go  
One cup of coffee then I'll go

I brought the money like your lawyer said to do  
Ain't nothing funny, babe, I am still in love with you  
Said, I am leaving you tomorrow, I'll cause you no more  
sorrow  
One cup of coffee then I'll go

Lord, I say Susie, Susie, Susie, mind you lose me  
Know me, love you bad yet you want to abuse me  
Try to treat you right but this affair confuse me  
Girl, don't complain 'cause a you come fi choose me

Me say Susie do, mind you loose me  
Though me love you bad and you want to abuse me  
Try treat you right but this a pure confuse me  
Gal, no complain 'cause a you come fi loose me

One cup of coffee then I'll go  
One cup of coffee then I'll go  
One cup of coffee then I'll go  
One cup of coffee then I'll go

Said I brought the money, honey, like your lawyer said  
to do  
Ain't nothing funny, babe, I am still in love with you  
Leaving you tomorrow 'cause you no more sorrow  
One cup of coffee then I'll go

Lord, run up and down, run up and down  
Sight the little gal and she a run up and down  
Run up and down, run up and down  
Sight the little gal and she a run up and down

Though my teeth is my teeth and my gum is my gum  
Timmy Tim Tim or my Tummy Tum Tum  
Bitter to the belly what is sweet to the tongue  
Sight the little gal and she a run up and down

One cup of coffee then I'll go  
One cup of coffee then I'll go  
One cup of coffee then I'll go  
One cup of coffee then I'll go

Said I brought the money like your lawyer said to do  
Ain't nothing funny, babe, I am still in love with you  
I'm leaving you tomorrow, you cause me no more  
sorrow  
One cup of coffee then I'll go

That was Raggamuffin this is now Jr. Gong  
Telling every woman fi hang on 'pon them man  
And I say love him, love him, give him something  
strong  
And give him loving better mek him galang

Love him, love him to the last furlong  
Can't do him dat, him tek a next woman  
I say love him, love him give him something strong
