Yeah, yes mi Lion

Always look on the brighter side of life, you know

Nuh must

Now, don't you ever give up, don't you ever give in

Don't you ever give up, don't you ever give in

Don't you ever give up, don't you ever give in

We will have our way some day

Don't you ever 'duttu' 'cause a better you clean

Hail up King Selassie plus Omega the Queen

Don't you ever give up, don't you ever give in

'Cause I, I, I know we're gonna make it, it's not too late,
no

We're gonna make it, yeah

Yes, I know we're gonna make it, it's not too late, no

We're gonna make it, yeah

Searching for the light because you're living in the dark

You must realize that Jah was with you from the start

Glorify his works and please be up full in your thoughts

Even though the ones who wish you well are few and

far apart

People never thought that we would make it through so
far

Speak of love Jah children and be proud of who you are

Keep on concentrating on the brighter side of life

Don't let them get you down

'Cause I, I, I know we're gonna make it, it's not too late,
no

We're gonna make it, yeah

Yes, I know we're gonna make it, it's not too late, no

Rasta Children gonna make it, yeah

If your brother weak then you must help him if you're
strong

Love him for the right and do not judge him for the
wrong

If your sister lost then you must help her find her way

She might just be the one to have to help you out some day

United we stand up or divided we will fall
Love you one another for the Father loves us all
Keep on concentrating on the brighter side of life
Don't let them get you down

'Cause I, I, I know we're gonna make it, it's not too late,
sister love
We're gonna make it, yeah
Yes, I know we're gonna make it, it's not too late,
brother man
Rasta Children gonna make it, huh

We will always share nuh care how meager the meal
Always speak the truth nuh care how ego wi' feel
I and I a root nuh care weh people believe
Don't you ever give up, don't you ever give in

Seed that we will sew will multiply in the field
Some a speak the word and some are doing the deeds
Don't you ever give up, don't you ever give in

'Cause I, I, I know we're gonna make it, it's not too late,
sister love
Rasta children gonna make it, yeah
Yes, I know we're gonna make it, it's not too late,
brother man
Rasta Pickney gonna make it

I know we'll make it, we're gonna make it
I know we'll make it, we're gonna make it
Rasta children gonna make it
Jah Jah children gonna make it

Mankind is gonna make it
Womankind is gonna make it
Human beings are gonna make it
You and me, we're gonna make it
I know we'll make it, I know we'll make it
