Everytime we say goodbye, I die a little
I wonder why a little

When you're near, feels like spring

Everytime we say goodbye, I die a little
Everytime we say goodbye, I wonder why a little
Why the Gods above me, who must be in the know
How could they think so little of me, that they allow you
to go

When you're near, there's such an air of spring about it
I can hear a lark somewhere, begin to sing about it
There's no love song finer, but how strange the change
from major to minor
Everytime we say goodbye
Everytime we say goodbye, I cry
