Hey! Oh, oh, yeah!  
Hey, oh!  
I said look who's back in the mother fucking club!  
Classes and session, I am the teacher,  
Pretty girls get wet when my voice hit the speaker.  
See if she's a good girl, I know she's a freaking  
I admit, she, homie I ain't trying to keep her!  
Spend, spend, give a fuck about the dough,  
We don't worry about the money,  
We could run and get more!

Me and my homies is bad when we're in the club,  
Spend a lot .. forget about it!  
Shawty shaking her ass like she know is up,  
The way she's wearing that dress, I'mma get it off!  
Spend, spend, give a fuck about the dough,  
We don't worry about the money,  
We could run and get more!

Chorus:  
Oh, the way she move that body  
She gonna, upon ,  
In the club like oh my God!  
Baby know that she's got it,  
I want it on up on it,  
Get upon on me like  
Spend, spend, give a fuck about the dough,  
We don't worry about the money,  
We could run and get more!

Shawty.. bottles like , and Patron,  
Drunk models getting lose to the zone.  
Acting like she wanna try something new,  
Like if you bring your friend,  
She gonna bring her friends too!  
M@nage or whatever you like that's what I'm into,  
It's movie time, I ain't talking about a rental.

Baby you start on the show, I'm out of control,  
Go ahead, girl, show something!  
And now my homies wanna go,

She's telling me no,  
Saying that she wanna show me something!  
And ain't even try to leave,  
Baby what you want? Give it to me!

Chorus:

Oh, the way she move that body  
She gonna, upon ,  
In the club like oh my God!  
Baby know that she's got it,  
I want it I'm up on it,  
Get upon on me like  
Spend, spend, give a fuck about the dough,  
We don't worry about the money,  
We could run and get more!

The girls is pop up two in the morning,  
The girls is pop up three in the morning,  
Club is closed by four in the morning,  
Back to my crib and we can party to the morning.  
To the morning, girl!  
And we can party to the morning girl!  
You know what it is with the bee, with the,  
When I'm all up in the club on you one time!  
..take you home to be alone,  
She get it on, she get it on, one time!  
And girl I'mma make you lose control,  
I'mma do you like nobody ever did you before!

Chorus:

Oh, the way she move that body  
She gonna, upon ,  
In the club like oh my God!  
Baby know that she's got it,  
I want it I'm up on it,  
Get upon on me like  
Spend, spend, give a fuck about the dough,  
We don't worry about the money,  
We could run and get more!

The girls is pop up two in the morning,  
The girls is pop up three in the morning,  
Club is closed by four in the morning,  
Back to my crib and we can party to the morning.  
Taking back to my crib and we can party 'till the  
morning!  
Spend, spend, give a fuck about the dough,  
We don't worry about the money,  
We could run and get more!
