Sometimes late at night  
I lie awake and watch her sleeping  
She's lost in peaceful dreams  
So I turn out the lights  
And lay there in the dark  
And a thought crosses my mind  
But I never wake her, in the mornings  
Would she ever die  
The way I feel about her, in my heart.

'Cause if tomorrow never comes  
Will she know how much I loved her  
And I try in every way  
To show her everyday  
She's my only one.

If my time on earth were through  
She must face this world without me  
Is love I gave her in the past  
Gonna be enough to last  
If tomorrow never comes.

Tomorrow never comes, ooh

So tell that someone that you love  
Just what you're thinking of  
If tomorrow never comes.
