Can take such a long time
Life is not a sure thing
Can walk right past your eyes
Like a dream you couldn't keep
My eyes were open at the right time
When you were looking my way

And IÂ'LL TAKE YOU HOME
Not just for the weekend
WeÂ'll chase the days alive
Welcome in the night
I want another sign

And IÂ'll keep you warm
Not just for this moment
WeÂ'll walk a million miles
Through the years of our lives
Never alone, Cos IÂ'll take you home

Fell for a wandering star
Wasn't meant to be
Gave my heart to a broken dream
Faded too easily

My eyes were open at the right time
When you were walking my way

And IÂ'LL TAKE YOU HOME
Not just for the weekend
WeÂ'll chase the days alive
Welcome in the night
I want another sign

And IÂ'll keep you warm
Not just for this moment
WeÂ'll walk a million miles
Through the years of our lives
Never alone, Cos IÂ'll take you home

And IÂ'LL TAKE YOU HOME
Not just for the weekend
WeÂ'll chase the days alight

Welcome in the night
I want another sign

And Iâ€™ll keep you warm
Not just for this moment
Weâ€™ll walk a million miles
Through the years of our lives
Never alone, never alone
Cos Iâ€™ll take you home
Cos Iâ€™ll take you home
Cos Iâ€™ll take you home
