Break it all apart
You're naked: frozen
Did you ever want to work with me
Did you ever let your baby down, my back
You're shaking though relaxed
Did you feel the drops of rain?

Maybe my anger
Down, it's over to you my dear
The fuckers will take you

Maybe my anger
Down, it's over to you my dear
The fuckers will take you
Down, the frozen arrow
The fuckers will take you
Down, the suckers beg for skin
The fuckers will taint you
Down, where the water's shallow
Then they'll watch you drown
And you'll blame your...

Down, where the water's shallow
Down, and you'll blame your...
