I walk away from you
For the first time strong
And I did my best to see it through
Now I'm watching you just thinking I'm wrong

But I only wanted you to know
That I never wanted you to go
I know I was everything
You're not supposed to be
To someone that you love

You walk away from me
For the first time sure
And you did your best but you don't see
How free it feels
Without you and me

I only wanted you to know
That I never wanted you to go
I know I was everything
You're not supposed to be
To someone that you love

And I crash and I burn
And I toss and I turn
I belong to you

You provoked and you broke
All my dreams and my jokes
But I'm sitting still

I feel trapped and alone
I thank God you are gone
I sleep better now

I feel free and I see what you are without me

I'm alive again

I only wanted you to know
That I never wanted you to go
I know I was everything
You're not supposed to be
To someone that you love
