I remember it well  
The first time that I saw  
Your head around the door  
'Cause mine stopped working

I remember it well  
There was wet in your hair  
I was stood in the stairs  
And time stopped moving

I want you here tonight  
I want you here  
'Cause I can't believe what I found  
I want you here tonight  
I want you here  
Nothing is taking me down, down, down...

I remember it well  
Taxied out of a storm  
To watch you perform  
And my ships were sailing

I remember it well  
I was stood in your line  
And your mouth, your mouth, your mouth...

I want you here tonight  
I want you here  
'Cause I can't believe what I found  
I want you here tonight

I want you here  
Nothing is taking me down, down, down...

Except you my love. Except you my love...

Come all ye lost  
Dive into moss  
I hope that my sanity covers the cost  
To remove the stain of my love  
Paper machÃ©

Come all ye reborn  
Blow off my horn  
I'm driving real hard  
This is love, this is porn  
God will forgive me  
But I, I whip myself with scorn, scorn

I wanna hear what you have to say about me  
Hear if you're gonna live without me  
I wanna hear what you want  
I remember december  
And I wanna hear what you have to say about me  
Hear if you're gonna live without me  
I wanna hear what you want  
What the hell do you want?
