You left it.  
I sent it.  
I want it back.

You left it.  
I sent it.  
I want it back.

If I had you here  
I'd clip your wings,  
Snap you up,  
And leave you sprawling  
On my pin.

This plan of mine  
Is Oh so very lame.  
Can't you see  
The grass is greener  
Where it rains?

And you left...  
I died.

I went...  
And you cried.

You came...  
I think.

But I never really know.

Now I've served my time.  
I've watched you climb  
The wrong incline.  
But you never really know.

Accept it.

Don't let it  
Fuck you up.

Accept it.  
Don't let it  
Fuck you up.

This applies equally  
To you and I...  
The only thing  
We've shared  
Is the same sky.

These empty metaphors...  
They're all in vain.  
Can't you see  
The grass is greener  
Where it rains?

And you left...  
I died.

I went...  
You cried.

You came...  
I think.

But I never really know.

Now I've served my time.  
I've watched you climb  
The wrong...  
You left it.  
I sent it.  
I want it back.  
You never really know.

Accept it...  
Don't let it  
Fuck you up.

You never really know.

You left...  
I died.

I went...  
You cried.

You came...  
I think.

You never really know.

I've served my time.

I've watched you climb  
The wrong incline.

You never really know.  
You never really know.

Maybe I didn't hold you  
Quite as good as I should have  
And I guess I never told you  
Quite as often as I could have  
Little things I should have said and done  
I just never took the time

You were always on my mind  
You were always on my mind

Tell me, tell me that your sweet love hasn't died  
Give me, give me one more chance  
To keep you satisfied

You never really know  
You never really know
