This is what is  
What if you don't get it like I want you to?  
So roll the dice  
There goes my rule number 2  
So roll the dice  
And don't ask why  
Just keep following me  
'Cause I'm following you

If she stays with you then you were right  
If it's still here when she's gone  
You're not wrong  
Though I stand with this rain on my back  
But it feels so damn good  
To belong

This is what I think I need  
These big fat feelings  
They hurt my chi  
So roll the dice  
And there goes my rule number 2  
Roll the dice  
And don't ask why  
Just keep eating the food

And if she stays with you  
Then you were right  
If it's still here when she's gone  
You're not wrong  
Though I stand with this rain on my back  
It feels so damn good  
To belong

Rule number 2  
Don't be a fool  
Rule number 3  
Get up off your knees  
Rule number 4  
Open your door  
Rule number 5  
Keep it alive  
Rule number 6

Don't be pricks  
And rule nubmer 8  
Don't leave it too late  
Rule number 9  
Just take your time  
Rule number 1  
Carpe Diem
