This has got to die
This has got to stop
This has got to lie down
Someone else on top

You can keep me pinned
It's easier to tease
But you can't paint an elephant
Quite as good as she

And she may cry like a baby
And she may drive me Crazy
Cause I'm lately lonely

So why d'you have to lie?
I take it I'm your crutch
The pillow in your pillow case
It's easier to touch

And then you think you're safe
As you fall upon your knees
Living in your picture
Still forget the breeze

And she may rise
If I sing you down
And she may wisely
Cling to the ground
Cause I'm lately horny

So why would she take me only...(?)

This has got to die
This has got to stop
This has got to lie down
Someone else on top
