Don't hold yourself like that  
'Cause you'll hurt your knees  
I kissed your mouth and back  
That's all I need

Don't build your world around  
Volcanoes melt you down

What I am to you is not real  
What I am to you, you do not need  
What I am to you is not what you mean to me  
You give me miles and miles of mountains  
And I'll ask for the sea

Don't throw yourself like that  
In front of me  
I kissed your mouth, your back  
Is that all you need?

Don't drag my love around  
Volcanoes melt me down

What I am to you is not real  
What I am to you, you do not need  
What I am to you is not what you mean to me  
You give me miles and miles of mountains  
And I'll ask

What I give to you is just what I'm going through  
This is nothing new, no, no, just another phase of  
finding  
What I really need is what makes me bleed  
But like a new disease, lord, she's still too young to  
treat

What I am to you is not real  
(She's still too young, she's still too young)  
(Volcanoes melt you down)  
What I am to you, you do not need  
(She's still too young, she's still too young)  
(Volcanoes melt you down)

What I am to you is not real  
(She's still too young, she's still too young)  
(Volcanoes melt you down)  
What I am to you, you do not need  
(She's still too young, she's still too young)  
(Volcanoes melt you down)

What I am to you is not real  
(She's still too young, she's still too young)  
(Volcanoes melt you down)  
What I am to you, you do not need  
(She's still too young)  
(Volcanoes melt you down)

What I am to you is not real  
(She's still too young, she's still too young)  
(Volcanoes melt you down)  
What I am to you, you do not need  
(She's still too young)  
(Volcanoes melt you down)

What I am to you is not real  
(She's still too young, she's still too young)  
(Volcanoes melt you down)  
(I'll kiss your mouth)  
What I am to you, you do not need  
(She's still too young)  
(Volcanoes melt you down)  
(I'll kiss your mouth)

What I am to you is not real  
(She's still too young, she's still too young)  
(Volcanoes melt you down)  
(I'll kiss your mouth)  
What I am to you, you do not need  
(She's still too young)  
(Volcanoes melt you down)  
(I'll kiss your mouth)

You do not need me
