If I dance every dance with  
The guys who give me the eye  
And let em hold me tight

Please don't mind if I smile  
At the man who holds my hand  
Neath the pale moonlight

I won't forget who's taking me home  
And you should remember too  
That I'm saving the last dance for you

Mm, I know that the music's fine  
Like sparkling wine but  
My mind's on you

I can tell by the  
Way you look at me  
That you're thinking too

I won't forget that you're taking  
Me home when the night is through  
So I'm saving the last dance for you

Baby, don't you know I love you so  
Can't you feel it when we touch  
I will never, ever let you go  
I love you, oh, so much

If I dance and I carry on  
Until the night is gone  
It's just for fun

And you know when it's time to go  
You'll be the one to take me home

Don't want to give my  
Goodnight kiss to anyone but you  
So I'm saving the last dance for you

Don't want to give my  
Goodnight kiss to anyone but you

So I'm saving the last dance for you

Hmm, saving the last dance for you

Hmm, saving the last dance for you
