Take your hands off of him
He don't belong to you
Take your hands off of him
He don't belong to you

Well, he's mine, all mine
No matter what you do

He's a tall, lean lad
Sweet as he can be
Hands off of him
He belongs to me

Hands off of him
He don't belong to you
Well, he's mine, all mine
No matter what you do

He treats me kind of gentle
Makes me feel so good
Loves me all the time
Like a good man should

Hands off him
He don't belong to you
Woo, he's mine, all mine
No matter what you do

People stand and wonder
What his love is like
Hands off of him
Unless you wanna fight

Hands off of him
He don't belong to you
Well, he's mine, all mine
No matter what you do

Now he'll be mine
Until the day I die
And now you've heard my story
And you know the reason why

Hands off of him
He don't belong to you
Cause he's mine, all mine
No matter what you do

Hands off him
He's mine, all mine
No matter what you do
